Quando ti metterai in viaggio per Itaca devi augurarti che la strada sia lunga, fertile in avventure e in esperienze. .
Devi augurarti che la strada sia lunga.

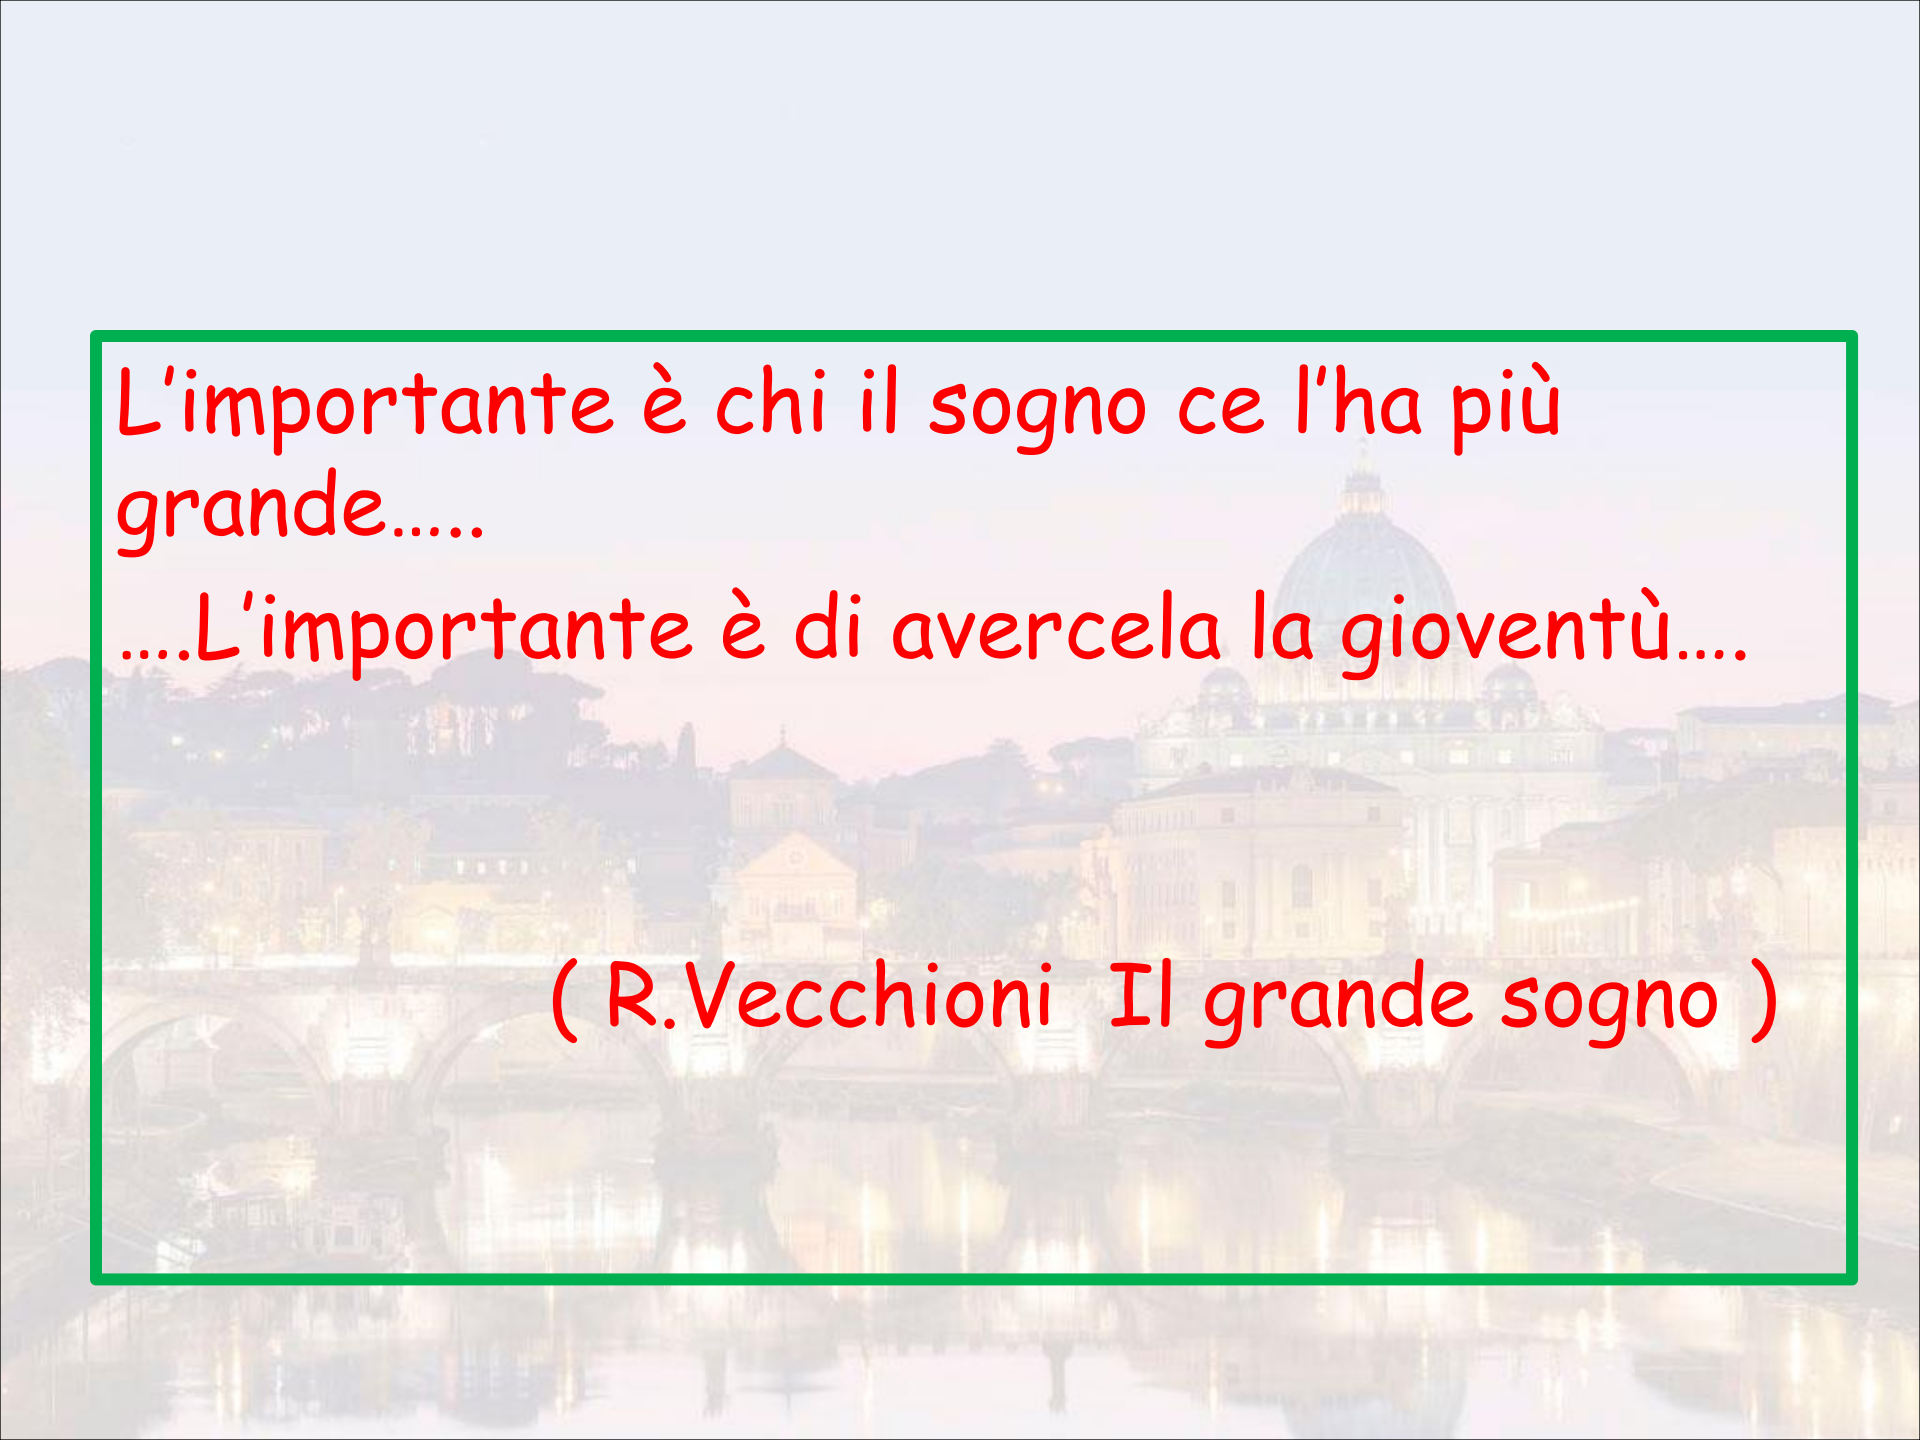

Negli empori fenici indugia e acquista madreperle coralli ebano e ambre tutta merce fina, anche profumi penetranti d'ogni sorta; piu' profumi inebrianti che puoi, va in molte citta` egizie impara una quantita` di cose dai dotti.

Sempre non affrettare il viaggio; fa che duri a lungo, per anni, e che da vecchio metta piede sull'isola, tu, ricco dei tesori accumulati per strada, senza aspettarti ricchezze da Itaca.

Itaca ti ha dato il viaggio
